

# 10 Nights Queenstown & Fiordland From \$7,715pp\* Twin Share

Departures: 27 Jul, 17 Aug, 8 & 20 Sep'21

## Explore New Zealand's remarkable Fiordland National Park in style aboard the **18-passenger Heritage Explorer**

This unique package combines beautiful Queenstown with an expedition cruise through the South Island's pristine fiords.

Starting in breathtaking Queenstown your clients will enjoy 3 nights at The Rees Hotel, a sophisticated property situated on the shores of Lake Wakatipu. The region is one of New Zealand's finest with a wealth of scenic and exhilarating activities alike from helicopter tours and jet-boating to exploring renowned wineries and golf courses.

You will then travel by road to Te Anau and revel in the delights of a scenic helicopter flight over the magical fiords to where the Heritage Explorer is moored. The breathtaking Southern Fiords are only accessible by sea, making them one of the most remote regions of New Zealand. Over the next 6 nights you will discover the hidden coves, mighty waterfalls, towering cliffs and misty mountain peaks that make this area one of the country's most beautiful landscapes. After the cruise you will return to Queenstown for your final night.

### Tour Inclusions:

- 4 nights at The Rees Hotel Queenstown in an Executive Lake View Room (with breakfast)
- ½ bottle of Quartz Reef Methode Traditionelle and local cheese platter on arrival
- 1 full-day private wine tour and lunch, visiting up to 4 wineries
- 6 nights aboard the Heritage Explorer in a Salvin Suite (Full Board) including house drinks (beer, wine, soft drinks and spirits)
- All shore excursions and activities whilst onboard
- Expert on board naturalist guide
- Return road transfers ex Queenstown
- Pre cruise helicopter transfer
- Post cruise coach transfer
