WHY GUESTS LOVE VIKING

EXPLORERS LOUNGE

THE SPA

No kids, no casinos

Need we say more.

Scandinavian design

Think clean lines, white leather, colourful woven textiles and light woods that evoke Viking's connection to the natural world.

All veranda staterooms

Every room has a veranda and a view – a Viking ocean ship has no inside cabins. Enjoy an al fresco breakfast or a nightcap as you watch the world sail by, all from the comfort of your own private veranda.

A shore excursion in every port

There is an included excursion in every port to help you experience the best of every destination.

Included beverages

From free-flowing wine and beer at lunch and dinner, to unlimited bottled water and specialty coffees – available any time you like.

No charge for specialty dining

With eight dining options on board a Viking ocean ship, our guests can choose to dine wherever they like, whenever they like, at no additional charge, including 24-hour room service.

Bring your own

You can bring your own wine, beer and spirits onboard to enjoy throughout the ship – we do not charge a corkage fee.

Destination focused

We know our guests love exploring the world, and every part of the cruise experience is designed to facilitate exploration. With more time in port to overnight stays, we ensure the destination is the focal point.

Unlimited Wi-Fi

Whether you want to share holiday updates with friends and family or keep up to date with your affairs at home, Wi-Fi is unlimited and included.
