Here, you'll enjoy a day of discovery, and a gourmet lunch in the most unique of locations: underground. Discover the diversity of Coober Pedy's spectacular Breakaways on your guided walking tour, taking in the colourful low hills that from a distance look as if they have 'broken away' from the higher ground of the reserve. This area was once an inland sea and over time, has transformed into a dramatic landscape that changes colour with the passing of the sun, creating an almost surreal panorama. Dinner is served back on the train, where you can enjoy a nightcap as your journey continues. (B, L, D)
